

Coach Speak- June 2014

Bixby Spartan Football will be respected as the very best program in 6A at developing young men.

Dear Spartan Faithful,

We are already into our second week of S.P.A., and attendance and effort are excellent. Coach Hicks made the comment the other day about how our kids continue to grow in their maturity and leadership. Our attendance the first week was over 90% with great effort. The varsity athletes that miss 2 or fewer S.P.A. sessions are exempt from the conditioning test at the end of summer, and those with perfect attendance will be treated to a steak dinner prepared by Coach Montgomery!

We want to thank all of our Quarterback Club members who made it possible for each athlete to attend the Mustang Team Camp free of charge. We took nearly 80 athletes to the Mustang team camp and stood out among the following teams:

- Mustang
- Broken Arrow
- Edmond Santa Fe
- Lawton MacArthur
- Midwest City
- Southmoore
- Bishop McGuinness
- Altus
- Dickson
- Edmond Deer Creek
- Shawnee
- Cashion

June Update continued from pg. 1

At the conclusion of team camp we took the team to The University of Oklahoma in Norman, and legendary Coach Merv Johnson gave us a tour of the training facility, locker room, and Barry Switzer Center. Coach Johnson has been in the press box for OU's last 450 games! What a treat to have someone this storied share insight with our players.

After a tour of the University of Oklahoma we stopped by the Golden Corral to feed the players, coaches, and managers. Wow! The players were so excited. One would think we had taken them to a five star steak house!

Finally, before we returned home we stopped by Moore to view the neighborhood where we volunteered last year after the tornado. It was an eye opening experience for our players to see so many of the houses that have not been rebuilt, and also to see the numerous memorials to Oklahomans who had lost their lives.

We would like to thank everyone who sponsored a team or a hole at our golf tournament. Frank Woodward and the golf committee did a tremendous job organizing a fun event for our program.

Last Tuesday we hosted the first summer passing league in Bixby. There will be a passing league each Tuesday leading up to July 15th. Our Jr. High will start at 6p.m. and our high school starts at 7p.m. If you have a chance, come watch us throw it around. This is a great environment to get competitive reps!

This week we sent home our Friends and Family membership with our athletes in grades 8-12. Please help your athletes address their 5 envelopes to friends and family who may live out of town, but still want to support Spartan Football!

Finally, there are a lot of exciting things coming up in July, but none more exciting than the Annual Night of Champions. Please invite your family out on July 23rd to support our players!

Sincerely,
Coach Montgomery
