

Dear Spartans,

The redbuds are blooming, the sand bass are running, and spring football is near! Spring break has come and gone, and that means spring football drills are right around the corner. This Wednesday night our coaching staff begins Spring Ball installation meetings, and that will take us into May, when we begin 7<sup>th</sup> hour drills on May 2<sup>nd</sup>. We will do two weeks of one hour drill sessions with our off-season players, and then we will begin official padded Spring Practice on May 16<sup>th</sup> after the State Track Meet and State Baseball Tournament.

By this time, everyone is aware that the last day of school has been moved to May 12<sup>th</sup>. It is important for parents to understand that athletes entering 10<sup>th</sup>-12<sup>th</sup> grades will still be expected to participate in spring football practice May 16<sup>th</sup>-May 27<sup>th</sup>, and Team Camp May 31<sup>st</sup>- June 3<sup>rd</sup>. Coaches and athletes will be given the week of June 6<sup>th</sup>-10<sup>th</sup> off before we begin S.P.A. You can check for the updated calendar [here](#) at [bixbyspartanfootball.com](http://bixbyspartanfootball.com).

We have started our power and speed phase of our offseason program. Our athletes are now completing the majority of their strength workouts during 1<sup>st</sup> or 6<sup>th</sup> hour S&C class, and we are doing speed, change of direction, and conditioning work during 7<sup>th</sup> hour football offseason. We are very proud of how hard our players are working, and

## LEADERSHIP

### 10 Characteristics of Leaders Taken From 360 degree Leader By John Maxwell

- Leaders make things happen
- Leaders see opportunities
- Leaders influence the opinions and actions of others
- Leaders add value to the team
- Leaders attract winners to them
- Leaders equip others to lead
- Leaders provide ideas that help the organization
- Leaders possess uncommonly great attitudes
- Leaders live up to their commitments
- Leaders show fierce loyalty to the team

February Update continued from pg. 1

with which they are working. We are really beginning to see some leaders develop.

As many of you are aware, a huge focus for our football team this season is leadership. We have started leadership council meetings one morning each month, with the purpose of developing leaders at all levels of our program. We are involving sophomores, juniors, seniors, and coaches. The curriculum comes from John Maxwell's 360 degree leader.

Club 225 continues to grow! For those of you that are new to our program, Club 225 is a club for all Bixby athletes and Fans who can full [clean](#) 225 lbs. Those athletes will receive a car sticker and Club 225 T-Shirt. Club 225 has grown from 8 athletes in 2010 to 55 Athletes in 2015. You may notice that many athletes from other sports are also on the list. We have also recently added a Club 155 for female athletes, and our first Club 155 member is Whitley Cary in Coach Douglas' weightlifting class! We are very excited about all of our Bixby athletes buying into our strength culture.

We would like to congratulate Pierce Hibblen and Aaron Levin on qualifying for the State Powerlifting Meet. This offseason we took many of our football offseason athletes to two powerlifting meets. Pierce and Aaron were among the strongest athletes in Oklahoma!

Finally, the spring semester gets very busy for our football program. We encourage everyone to get on our website, Facebook, or Twitter to keep up with our [calendar](#) and all the wonderful activities within our program! It's a great day to be a Spartan!

Sincerely,  
Coach Montgomery
