

Dear Spartans,

Spring Break has come and gone, and enthusiasm is in the air! Your Spartans continue to train hard each day in preparation for upcoming spring drills! This Wednesday Night our coaching staff began Spring Ball installation meetings, and we will meet each Wednesday night leading up to Spring Drills. Beginning May 1<sup>st</sup> we will do two weeks of 7<sup>th</sup> hour drill sessions leading up to official spring practice. Official Spring Practice will begin May 15<sup>th</sup>. Spring Practice will not begin until baseball and track seasons have fully concluded.

That last day of school this year will be on Tuesday May 23<sup>rd</sup>. Although the 23<sup>rd</sup> is the last day of classes, it is important to let you know that our high school team will continue with spring practice and team camp all the way through Friday June 2<sup>nd</sup>. The players and coaches will be off beginning June 3<sup>rd</sup> through June 9<sup>th</sup>. We will begin SPA Monday June 12<sup>th</sup> at 7am.

We have begun our power and speed phase of our offseason program. We have also started our speed school curriculum. Last April we invited [Clayton Oyster](#) back to Bixby to retrain our staff on his one of a kind acceleration, speed, and change of direction training. Clayton was formerly the Head Strength and Conditioning Coach at Iowa State, and has now joined the University of Texas staff. We believe his speed curriculum is the best in the country.

**February Update continued from pg. 1**

As many of you are aware, we continue to focus on leadership within our program. We just finished our third leadership council meeting. Our leadership council is focusing on real applicable ways in which we can lead up, lead down, and lead across. The players have used Twitter as a platform to share skits of desired and undesired leadership behaviors.

Club 225 continues to grow. For those of you that are new to our program, Club 225 is recognition for all Bixby athletes and fans who can [full clean](#) 225 lbs. Those athletes will receive a car sticker and Club 225 T-Shirt. Club 225 has grown from 8 student athletes in 2010 to 65 student athletes in 2016. We have also recently added a Club 155 for female athletes. We currently have two student athletes in Club 155 and several others knocking at the door! It is rewarding to see so many student athletes buying into our strength culture at Bixby.

I would like to encourage everyone to become active in our [Quarterback Club](#). Our Quarterback Club meets monthly. At the quarterback club meetings we usually preview upcoming events, have an assistant coach breakdown a play, and brainstorm ways to continue to grow our program. Our next meeting is Wednesday April 12<sup>th</sup> at 6:30pm. We hope to see you there!

There are many great things happening with Bixby Spartan Football. It is our mission to make Bixby Spartan Football respected as the very best program in the state at developing young men. Please always feel free to come watch a workout, stop by my office, or reach out to our staff. It's truly a great day to be a Spartan!

Sincerely,  
Coach Montgomery
