November 2013

MISSION: Bixby Spartan Football will be respected as the very best program in 6A at developing young men.

Dear Spartan Faithful,

The 2013 Season is in the books. Although the ending was bitter sweet, we are very proud of the things our 2013 squad accomplished.

We ended the season (6-4) which was the best record the program has made since making the jump to Oklahoma's largest class, 6A.

We also boast our first NCAA Division I college commitment in Chandler Miller, who is committed to play at the University of Tulsa. National signing day is Wednesday February 5th, when we expect to have several of our seniors sign national letters of intent to continue their playing careers at the college level.

Nic Roller will be recognized as our first running back since entering Class 6A to rush for 1,000 yards.

Marshall Ray led the state in punting average, with 43.5 yards per punt average. Marshall also threw for 2,213 total yards this season.

Your Spartan warriors were ranked as high as #6 in the state in the Daily Oklahoman Power Poll, and #7 in the Tulsa World Rankings.

We expect to have numerous players attain

Leadership Series: INTEGRITY

(As taken from the Spartan Code Manual)

Who are you really? When you are at school are you different than when you are at home? Are you different with women than you are with men? Are you different in class than you are in the locker room? Are you different on a job interview than you are after having been on the job for a while?

A leader is going to be found out. Whether you are in a public arena or among close friends, at some point your true person will be revealed. Decide who you are and be that person. Be consistent. Leadership is not a position or a title, it is the ability to obtain followers.

- "Who are you when you think no one is looking?"
- "Leadership is the ability to influence others."

2013

All-District, All-State, and Player of the Year awards. More importantly, we ended the year with 43 athletes who made Academic All-Conference. This speaks volumes to the great work ethic of our athletes, the strong support system they have at home, and the effectiveness of our D.I.S.C. core value system! We truly are developing great young men here in Bixby Spartan Football!

Finally, we want to send out a special thanks to our Senior Class. We had a group of 15 young men who truly moved the program forward. The 2013 seniors are one of the smartest groups of young men I have ever been around. These guys understand the importance of leadership and attitude, and demonstrated it each day at the facility. They have truly left their mark on Bixby Spartan Football.
