

Coach Speak- October 2014

Bixby Spartan Football will be respected as the very best program in 6A at developing young men.

Dear Spartans,

It is a great day to be a Spartan! I am truly excited to be updating the Spartan Nation on your top ranked Bixby Spartans! Friday night our athletes had a convincing win over the top ranked Booker T. Washington Hornets. Many of our best players had their best games of the year, and that is what you expect from championship caliber teams.

Currently your Spartans are sitting 7-1 overall and 5-0 in district play. Friday's win was critical, because it allows us to control our own destiny in the playoff race. Currently both us and Sand Springs sit atop the district with 7-1 overall and 5-0 district records.

If we are fortunate enough to continue playing well and win our district we would host a first round playoff game here at Lee Snider Field. In the new 6A-2 format the second round is played at a neutral site, Thanksgiving week is a bye week, and the State Championship is played on Friday December 5th at a neutral site. We are hoping to be playing our best football come playoff time so that our players can experience

the excitement of a deep playoff run!

It is really exciting to see so many of our players playing well. This year's seniors were 8th graders when I had the privilege of becoming a Spartan! During the second half of several games this year we have seen our players' hard work really shine through on the field. Our players know that if we can make it to the 4th quarter we will be stronger and in better condition than our opponents. After our game Friday night one of our seniors said he bet the other team didn't have 48 guys in Club 225!

This Friday we face a very athletic and unconventional Muskogee football team led by a new head coach Raefe Watkins. We have also reminded the players that this is the team that spoiled our playoff chances last season! Halloween evening should be a great environment for football. Our team appreciates the great fan support we get home and away!

Sincerely,
Coach Montgomery
