SPARTAN MISSION

Bixby Spartan Football will be respected as the very best program in Oklahoma at developing student athletes.

WELCOME TO BIXBY SPARTAN FOOTBALL

Check List of To Do Items:

- **Physical Form/Parental Consent Form:** ← Click Link: Complete the Physical form and Parental Consent form, upload each individually in your student's Rank One account or e-mail to Stephen Moss (smoss@bixbyps.org), Christa Montgomery (cmontgomery@bixbyps.org), or Savannah Kautz (skautz@bixbyps.org).
- **Rank One Forms:** ← Click link: Create a Parent Portal Account, follow the instructions and complete ALL six (6) forms. Submit each form after completion.
- **My School Bucks Account:** ← Click link: Go to the app store to download the My School Bucks app on your phone, create a student account.
- **Drug Test:** As part of our random drug testing program, every athlete must pay for one drug test. Actual testing is done randomly throughout the school year and your student may be selected for testing one or more times or not at all. From the My School Bucks app or online, go to the School Store and scroll to find Athletics Drug Testing. Cost for the testing is \$15.
- **Grade Mom Representative:** To stay informed of events/opportunities within our program, we encourage you to contact your student's grade mom and give her all cell phone numbers and e-mail addresses where you want information sent (Grade moms are listed on page 1 of this document).
- **New Student?:** Contact Jaime Snyder at 918-366-2218 at the athletic office to begin OSSAA compliance paperwork.
- **SportsYou App:** Download the SportsYou app on your phone. This is the main means of communication used by Coach Montgomery and your grade mom. Each grade has it's own individual code to join the group so please be sure to get the code from your grade mom to get set up.
- **Bixby Quarterback Club:** ← Click link: Please consider joining our Bixby Quarterback Club (QBC) and becoming part of the great things we are doing in Bixby Spartan Football. Your support plays a big role in the quality of our players' experience. Funds are used to feed players, update uniforms, and improve numerous aspects of our program. There are different levels of membership and some give you access to early reserved-seating choices and some great Spartan gear. Our goal is 100% parent participation, so join today and invest in keeping our player experience the best in Oklahoma!
